Rosemary,

I know that Matt is on vacation but I copied him and Mita just in case they have answers. I do have some questions about the crosswalk and wondered if they have been answered already. These are more a question for us to answer and see if a response/comment is needed based on the answers, but the highlighted sentence below is a comment. Not trying to cause trouble.

1)
2)
3)

Ex. 5 AC/DP

I don't have any comments on the rule.

Jeff, Chris, Kelly –

We got a bit of breathing room on wrapping up our round 3 comments on FDEP's "pre-review" draft of their rule. (Because the FDEP Secretary did not sign the package to send it to OFARR earlier this week, they were expecting that to happen late this week, meaning public comment won't get kicked off until late next week.) Given that enforcement and compliance are not my area of expertise, I'm trying to make sure someone more appropriate has reviewed. The goal is to have any comments in (to me) by noon Monday, and I'll merge them to send up by COB.

Jeff - I know you mentioned **Ex. 5 Deliberative Process (DP)** but I did want to double check in case you want to look at anything else and have the opportunity to.

Chris – I know you said you’d look today. Thanks!

Kelly – I know I said you’re off the hook for jumping into this review mid-stream, but if you want to take a look on Monday morning and see if anything jumps out at you re **Ex. 5 Deliberative Process (DP)** here’s how to get straight to the relevant pieces:

The crosswalk comparing federal requirements is here:

Ex. 6 Personal Privacy (PP)

Ex. 5 Deliberative Process (DP)

... and the rule is here:

Ex. 6 Personal Privacy (PP)

Ex. 5 Deliberative Process (DP)
